CREDIT UNION WEEK October 14–17, 2020

Its hard to believe its time to celebrate how awesome credit unions are once again. International Credit Union Day is October 15, but around here one day is not enough, so at Sunflower Credit Union we celebrate a whole week.

This year we have a little more to celebrate, so our theme is 'Sunflower Rocks'. We have been working with a team for the past few months to create a new and improved website along with a true mobile banking app. If everything stays on track we will be able to launch our new website and app by credit union week. We are very excited to bring better products to our members!!

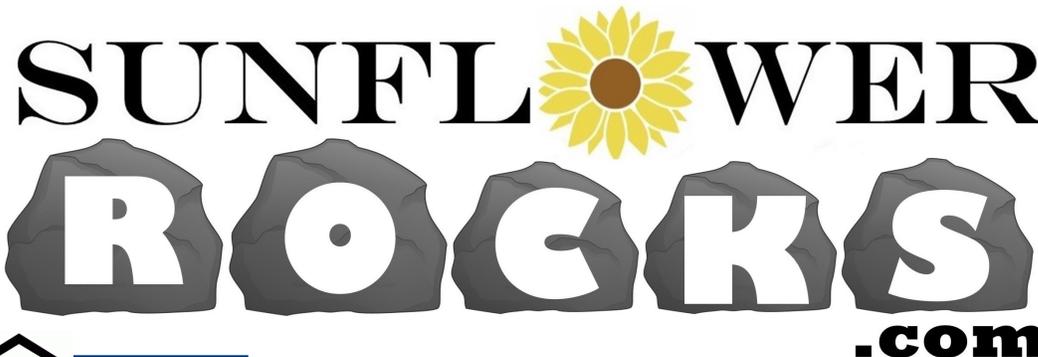

Stop by the week of October 14th to get a ticket with a number on it. Every day we will be giving away cash prizes. To see if your number is drawn you will need to check at www.sunflowerrocks.com for results and how to claim your prize.

A timed certificate special for credit union week is as follows:

24mo. **1.00% APR*** **\$500 minimum**
1.004% APY**

*Annual Percentage Rate

**Annual Percentage Yield

Christmas Loans

Members may apply for a Christmas Loan beginning November 1, 2020 to December 23, 2020. Qualified applicants may borrow up to \$1000.00 at 10% APR* for 10 months. All loans completed before December 4th will be eligible for Santa's Savings on December 5th at 12:30pm. Stop in or call for an application.

One of the bigger changes we have coming to the credit union is saying goodbye to our current CEO, Janet Fritschi, and saying hello to our new CEO, Jim Hull. Jim answered a few questions, so we can get to know him better:

Where do you hail from?

I was born and raised in Salina, but both of my parents grew up within our membership area. My dad is from Frankfort and my mom grew up in Corning. I have spent the past 18 years working in Nebraska and currently live in Jansen, NE.

Who are your family members?

My wife's name is Heather. She is an elementary teacher in Beatrice. We have a 3 year old son named Bennett and two black labs: Doc and Bella. My parents are Dan & JoAnn Hull. I have one brother, Bob, that lives in Wyoming.

What are your hobbies?

I am a big college sports fan (Go Wildcats!). When I have free time I enjoy reading, working on projects around the house, and getting outdoors.

What are your goals for the credit union and your future here?

The credit union has a beautiful facility, an awesome staff, and a growing membership. It is a very successful organization, My goal is to continue to provide a steady hand and a clear vision that will allow us to continue to flourish long into the future.

Stop in and say hi!
