JANUARY 2021

## 2021 ANNUAL MEETING

With COVID-19 still looming among us, our annual meeting may look different this year. Usually, the meeting is held at the end of February with business, voting, snacks, and fun. Our new manager, Jim Hull, is looking into different options on how we can conduct the annual meeting. A couple different options are:

- Waiting until spring/later in the year
- Have the meeting via zoom
- Wait until its warm enough we can meet outside and safely social distance ourselves

A decision will not be made until by laws are looked into and things are discussed with the board. This year we have 4 positions for the Board of Directors on the ballot. Keep an eye on our website and our Facebook page for further updates.

**START WHERE YOU ARE. USE WHAT YOU HAVE. DO WHAT YOU CAN.**

- ARTHUR ASHE

*"So... I got this check in the mail, now what?"*

You check your mail and discover a check for \$1500. You do not recognize who it is from and you definitely were not expecting a check of that size. What now?

First things first, call your financial institution. They will give you instructions on what you need to do next. More than likely, that check is fraud.

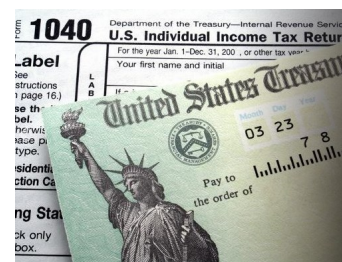

**Just because the check is deposited does not mean the funds are verified and the check is good.**

Fake checks are very hard to identify. Due to the increasing capabilities of graphics and printing technology its never been easier to create realistic looking checks. Its best to alert your financial institution, so they can impose a hold on the funds until the check is verified as good. If a check comes back as fraudulent and you have already taken the funds, you become responsible for paying back your financial institution. Remember to follow your gut and if it seems too good to be true, it probably is!

# Tax Anticipation Refund Loans

## St. Jude Children's Research Hospital Donation

The Credit Union philosophy "*People Helping People*" is alive and well at YOUR credit union. In 2020 our members made donations to St. Jude's Children Research Hospital totaling \$2,535.00. What a wonderful contribution **you** made through our Skip-A-Pay program.

Our donation helps children like Mia.
