JULY 2021

SUMMER Savings

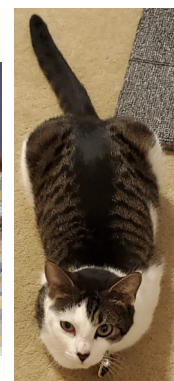

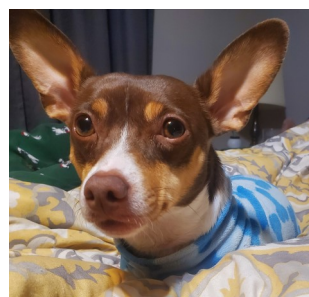

The youth summer savings program kicked off on June 1st. There are 52 youth signed up this summer. All youth that deposit once a week for 10 weeks straight will be invited on a trip to Urban Air in Lincoln, NE. Urban Air is trampoline park with other activities such as a zipline, dodgeball, a battle beam, tubes playground, and much more! The theme for the summer savings program is 'Go for the Gold!!', which is in honor of the 2020 Olympics happening this summer. Those who deposit for 10 weeks in a row will have their money transferred into a special high yield savings account for 5 months. The program will end August 7th and invitations will be sent out to qualifying youth for Urban Air.

GO FOR THE GOLD!

"While money can't buy happiness, it certainly lets you choose your own form of misery." - Groucho Marx

BETTER CAR FOR YOU AND A BETTER LIFE FOR THEM!

In the month of July for every car loan completed, the credit union will donate \$10 to The Good Samaritan Adoption Program through the Pony Express Veterinarian Clinic. The Program was started by Dr. Regina Breshears in 1999. Any stray animal that finds themselves at the Pony Express Veterinarian Clinic will be placed in the Good Samaritan Program and not euthanized, no matter how long it takes to find them a home. Since she has founded the program, more than 1,200 dogs and cats have been placed in their forever home. So, if you have been looking at that newer, better vehicle there is no better time than now!

Pets in photos are not for adoption.
