Credit Union Week

Grow with Sunflower Community Credit Union

Credit Union week is a special time when the credit union tries to give back a little extra to our members. This year's theme is "Grow with Sunflower Community Credit Union". It reflects our desire to help our members grow their savings accounts and financial independence. It also captures the credit unions continued commitment to growth. In the past year the credit union has grown by over \$4 Million in assets and added 120 members.

Credit Union Week will be October 14th through the 19th. We have a great batch of give-a-ways this year that includes pizza cutters, screw drivers, and keychain lights. Watch our Facebook Page for more information on give-a-ways, drawings, and other Credit Union Week activities.

Debt Protection

For many years the Credit Union has offered Credit Life & Disability Insurance through CUNA Mutual, now known as TruStage. On November 1st this program will be transitioning to Debt Protection. Debt Protection will provide members with loans the opportunity to protect themselves from unemployment, disability, and death. Members with existing credit life and disability should have received a letter to opt into the new coverage. A new enrollment must be completed in order to transition to Debt Protection. Talk to a loan officer if you would like to learn more.
